-
- 2.3** The Partner retains full right of use and occupation of all areas of the Venue outside the Licensed Spaces and the Exclusion Zones, subject to the access rights set out in Section 9.
-

-
- 4.3** The Partner shall not tamper with, disconnect, move, cover, obstruct, or remove any Equipment without the prior written consent of GymGaze.
-
- 4.4** The Partner shall immediately notify GymGaze in writing of any damage, theft, vandalism, or interference with Equipment, providing full details of the incident within 24 (twenty-four) hours of discovery.
-

-

- 4.6** In the event of the Partner's insolvency, liquidation, business rescue, or any analogous proceeding, the Equipment shall at all times remain identifiable as GymGaze's property and shall not form part of the Partner's insolvent estate. GymGaze shall be entitled to remove its Equipment without requirement for leave of court or consent of any insolvency practitioner, upon provision of reasonable notice.

5. FIT-OUT WORKS AND INSTALLATION

- 5.1** GymGaze shall procure, supply, and install all Equipment at its own cost. The Partner shall not be required to contribute any capital towards the procurement or installation of Equipment.
-
- 5.2** Prior to commencing Fit-Out Works at any Venue, GymGaze shall submit an installation plan to the venue manager specifying the intended works, timeline, Equipment dimensions, and cable routing paths. Installation may not commence until the venue manager has confirmed in writing.
-
- 5.3** GymGaze shall use suitably qualified, experienced, and insured contractors for all Fit-Out Works. All electrical work shall be performed by a registered electrician and shall comply with SANS 10142 (Wiring of Premises) and all applicable South African Standards.
-
- 5.4** Fit-Out Works shall be scheduled to minimise disruption to venue operations. Where works must occur during Operating Hours, GymGaze shall give the venue manager not less than 48 (forty-eight) hours advance notice.
-
- 5.5** GymGaze is permitted to perform the following within the agreed Licensed Spaces: surface drilling and mounting for screen brackets; surface-run cable installation; wall-mounted or ceiling-mounted cable trunking; installation of power strips on existing circuits; installation of LTE routers and WiFi repeaters at agreed locations.

-
- 6.2** The Partner shall ensure that the power supply at each Licensed Space is continuous and available during all Operating Hours. Planned interruptions to power supply affecting GymGaze Equipment shall be communicated to GymGaze with a minimum of 24 (twenty-four) hours notice.
-

- 6.3** GymGaze shall install surge-protected power strips at each Licensed Space at its own cost. The Partner shall not remove, unplug, or tamper with these surge protectors.
-
- 6.4** The estimated power consumption of GymGaze Equipment at each Licensed Space is specified in Annexure A. The Partner warrants that its electrical infrastructure at each Venue is capable of safely supplying the estimated load without risk of circuit overload.
-
- 6.5** If Equipment is damaged as a direct result of inadequate or unstable power supply attributable to the Partner's infrastructure (and not caused by load-shedding or external grid failure), the Partner shall be liable for the reasonable cost of repair or replacement of the affected Equipment.
-
- 6.6** Power outages resulting from national or municipal grid load-shedding programmes shall not constitute a breach by either party and shall be treated as force majeure events as described in the SLA.
-

7. INTERNET CONNECTIVITY

- 7.1** GymGaze shall procure, install, and pay for all internet connectivity required to operate its Equipment at each Venue. This shall include LTE routers, SIM cards, data subscriptions, WiFi repeaters, or any other connectivity infrastructure GymGaze deems appropriate.
-
- 7.2** The Partner grants GymGaze permission to install connectivity hardware (routers, WiFi access points, cable conduits) within Venues at locations agreed in Annexure A.
-
- 7.3** The Partner shall not interfere with, block, disconnect, or restrict GymGaze's connectivity infrastructure or signals. This includes not deliberately obstructing LTE signals or restricting radio frequency transmission.
-
- 7.4** GymGaze's connectivity infrastructure is separate from and independent of the Partner's own network. GymGaze's Equipment shall not be connected to the Partner's internal network without a separate written agreement specifying data usage limits, network security requirements, and any associated costs.
-
- 7.5** If GymGaze's LTE or WiFi connectivity fails and the Partner has a suitable alternative internet connection, GymGaze may request temporary access as a contingency. The Partner may grant or decline such access at its discretion.
-

8. EXCLUSION ZONES

- 8.1** An Exclusion Zone of 2 (two) metres applies around each GymGaze screen face as demarcated in Annexure A. The dimensions and boundaries of each Exclusion Zone are agreed at the time of installation and documented in Annexure A.
-
- 8.2** Within each Exclusion Zone, the Partner shall not:
- a. install any competing advertising or promotional media including digital screens, LED displays, projectors, banner stands, or poster frames;
 - b. place shelving, product displays, reception counters, or permanent fixtures that obstruct the screen face or reduce its forward-facing visibility;

- c. install any signage (other than regulatory or safety signage) at a height or position that materially competes for the same audience sightlines as the GymGaze screen.

-
- 8.3** The Partner may install non-competing operational signage within an Exclusion Zone (including safety notices, fire assembly points, directional signage, and statutory compliance notices) provided such signage does not obstruct direct sightlines to the screen face.
-
- 8.4** If the Partner wishes to install any fixture or display within an Exclusion Zone that may affect GymGaze screen visibility, the Partner shall notify GymGaze in writing and GymGaze shall respond within 7 (seven) business days. Consent shall not be unreasonably withheld.

9. ACCESS RIGHTS

- 9.1** GymGaze and its authorised personnel are granted the right to access the Licensed Spaces at all times during Operating Hours without prior notice for the purpose of routine inspection, minor maintenance, and equipment checks. Access outside Operating Hours requires prior arrangement with the venue manager, except in the case of emergencies.
-
- 9.2** For maintenance or repair work requiring the isolation of Equipment from power, the temporary occupation of a wider area, or activities likely to cause disruption lasting more than 30 (thirty) minutes, GymGaze shall give the venue manager not less than 24 (twenty-four) hours advance notice.
-
- 9.3** In emergency situations (screen failure posing a safety risk, vandalism, fire, flood, or theft), GymGaze shall be entitled to immediate access to the affected Licensed Space. GymGaze shall notify the venue manager or security of its presence as soon as is practicable after accessing the venue.
-
- 9.4** The Partner shall ensure that all venue management staff, security personnel, and cleaners are informed of and respect GymGaze's access rights. The Partner shall maintain an up-to-date list of GymGaze-authorised personnel and provide this to venue reception.
-

- a. sign in at venue reception upon arrival and sign out upon departure;
 - b. carry and display GymGaze identification at all times;
 - c. comply with all venue health and safety rules, dress code requirements, and security procedures;

-
- 10.2** The Partner shall notify GymGaze in writing at least 14 (fourteen) days before commencing any renovation, refurbishment, construction, or other works within a Venue that may directly affect any Licensed Space,

Exclusion Zone, power supply, or GymGaze Equipment.

-
- 10.3** The Partner shall not permit any activity in the vicinity of Licensed Spaces that poses a risk of physical damage to GymGaze Equipment, including (without limitation) high-impact fitness activities directed at walls where screens are mounted, pressure washing, or uncontrolled movement of heavy equipment.
-
- 10.4** The Partner shall ensure that each Venue complies with all applicable building, fire safety, and occupational health and safety regulations throughout the Term, and that GymGaze Equipment is included in the venue's fire risk assessment and emergency evacuation procedures.
-
- 10.5** GymGaze screens shall not at any time obstruct emergency exit routes, fire doors, fire extinguisher access points, or first aid stations. If any Licensed Space is found to cause such obstruction, the Partner shall notify GymGaze immediately and GymGaze shall relocate the Equipment within 14 (fourteen) days.
-
- 10.6** The Partner shall promptly repair any damage to the Venue (including walls, floors, and ceilings in the vicinity of Licensed Spaces) that may expose GymGaze Equipment to moisture, pests, or structural risk.
-

11. LICENCE FEE AND CONSIDERATION

-
- 11.1** The Licence Fee payable by GymGaze to the Partner in respect of the rights granted under this Agreement is nil (zero rand).
-
- 11.2** The parties acknowledge and agree that the revenue sharing arrangement set out in the Service Level Agreement constitutes full, adequate, and sufficient consideration for the licence and all rights granted to GymGaze under this Agreement.
-
- 11.3** No separate rental, licence fee, or occupation charge is payable by GymGaze to the Partner during the Term, except as may be separately agreed in writing and incorporated into a written addendum signed by both parties.
-

12. MAKE GOOD OBLIGATIONS ON TERMINATION

-
- 12.1** Upon the expiry or termination of this Agreement for any reason, GymGaze shall, within 30 (thirty) days of the effective termination date:
- a. remove all Equipment from each Venue, including all screens, mounting brackets, cable runs, surge protectors, routers, and connectivity hardware;
 - b. fill all drill holes and mounting anchor points in walls, ceilings, or floors with appropriate filler material, sanded flush to the surrounding surface;
 - c. repaint or retouch affected wall surfaces where the original paintwork or finish has been materially marked or discoloured by installation, using colour-matched paint supplied at GymGaze's request by the Partner at reasonable cost;
 - d. remove all surface-run cable trunking and restore Wall surfaces to their pre-installation condition; concealed in-wall cabling may be cut flush at each termination point and sealed;
 - e. leave each Licensed Space in a condition reasonably comparable to its condition immediately prior to installation, fair wear and tear excepted.
-

- 12.2** If GymGaze fails to complete Equipment removal within the 30-day period, the Partner shall give GymGaze a further written notice of 14 (fourteen) days. If Equipment remains after expiry of this further notice, the Partner may arrange removal of the Equipment at GymGaze's reasonable cost, provided the Partner uses qualified contractors and takes reasonable care of the Equipment during removal.
-
- 12.3** The Partner shall not dispose of, sell, damage, or otherwise deal with GymGaze Equipment during the 30-day removal period or the subsequent 14-day notice period.
-
- 12.4** Any dispute regarding the standard of Make Good work shall be referred to an independent building contractor agreed upon by both parties within 14 days of the dispute arising. The cost of such assessment shall be borne equally by the parties unless the assessment finds either party substantially at fault, in which case the at-fault party bears the full cost.

13. INSURANCE

- 13.1** GymGaze shall, at its own cost, maintain throughout the Term:
- a. public liability insurance with a limit of indemnity of not less than R 5,000,000 (five million rand) per occurrence, covering GymGaze's operations and Equipment within Partner venues;
 - b. all-risks property insurance covering the replacement value of all Equipment installed within Partner venues.
-
- 13.2** GymGaze shall provide the Partner with a valid certificate of insurance upon request and shall notify the Partner within 5 (five) business days if any relevant insurance policy is cancelled, materially modified, or lapses.
-
- 13.3** The Partner shall maintain adequate building and property insurance covering the Venue structure and the Partner's own property and assets. The Partner shall not be required to insure GymGaze's Equipment.
-
- 13.4** Each party is responsible for insuring its own property and neither party shall have any claim against the other for damage to its own property unless such damage was caused by the negligent or intentional act of the other party.

14. DAMAGE AND LIABILITY

- 14.1** GymGaze shall be liable for any physical damage to the Venue or its fixtures caused directly by GymGaze's Fit-Out Works, maintenance activities, or Equipment removal, except for damage constituting fair wear and tear.
-
- 14.2** The Partner shall be liable for damage to GymGaze Equipment caused by the negligence or intentional act of the Partner, its employees, cleaning staff, agents, or contractors acting under the Partner's authority.
-
- 14.3** The Partner shall not be liable for damage to GymGaze Equipment caused by third parties (including gym members) acting independently, provided the Partner has taken reasonable steps to secure the Venue and protect GymGaze's Equipment.

business opportunity.

-
- 14.5** GymGaze's total aggregate liability under this Agreement in respect of any single Venue shall not exceed the replacement value of the Equipment installed at that Venue, as specified in Annexure A.

15. HEALTH, SAFETY AND COMPLIANCE

- 15.1** GymGaze shall ensure that all Equipment complies with applicable South African electrical safety standards, including SANS 10142 (The Wiring of Premises), and that all electrical installations are certified by a registered electrician.
-
- 15.2** GymGaze shall ensure that the weight, dimensions, and mounting of all screens comply with the load-bearing specifications of the walls or structures to which they are affixed, as confirmed by a structural assessment where required.
-
- 15.3** All GymGaze personnel operating within Partner venues shall comply with the Occupational Health and Safety Act 85 of 1993 (as amended) and all regulations thereunder, as well as any venue-specific health and safety rules communicated to GymGaze in writing.

-
- 15.5** The Partner shall incorporate GymGaze Equipment into its Venue emergency evacuation plan, fire risk assessment, and emergency response procedures, ensuring that Equipment locations do not impede emergency egress.

16. ALTERATIONS AND MODIFICATIONS TO EQUIPMENT

- 16.1** GymGaze may upgrade, replace, or modify Equipment at any Licensed Space at any time during the Term, provided that:
- a. the replacement Equipment is of equal or smaller physical dimensions than the Equipment being replaced; and
 - b. the venue manager is notified in writing at least 48 (forty-eight) hours before any replacement works.
-
- 16.2** Any upgrade involving Equipment of larger physical dimensions, new cable routing paths, additional power points, or changes to Exclusion Zone boundaries requires the Partner's written consent, which shall not be unreasonably withheld, and an updated Annexure A signed by both parties.
-
- 16.3** The Partner may not make any alteration, addition, or modification to the Licensed Spaces, cable routing, power circuits, or connectivity infrastructure serving GymGaze Equipment without the prior written consent of GymGaze.

17. TERM

-
- 17.2** Following the Initial Term, this Agreement shall automatically renew for successive periods of 12 (twelve) months each ("Renewal Terms"), unless either party gives the other not less than 60 (sixty) days written notice of its intention not to renew, prior to the expiry of the then-current term.
-
- 17.3** This Agreement is intended to be co-terminus with the Service Level Agreement (Reference: GG-SLA-[VERSION]). Termination of the SLA by either party shall trigger termination of this Agreement on the same effective date, subject to GymGaze's Make Good obligations under Section 12.
-
- 17.4** The addition of new Venues during the Term shall not affect the Initial Term or Renewal Terms of this Agreement. New Venues added by addendum shall be subject to the remaining Term of this Agreement unless otherwise agreed in writing.

18. TERMINATION

- 18.1** Either party may terminate this Agreement by giving the other not less than 60 (sixty) days written notice at the end of the Initial Term or any Renewal Term.
-

 - b. the Partner is placed in provisional or final liquidation, business rescue, or sequestration; or
 - c. the Partner's conduct poses an immediate risk to GymGaze's Equipment or GymGaze personnel.
-
- 18.4** The Partner may terminate this Agreement in respect of a specific Venue (without terminating in respect of other Venues) with 60 (sixty) days written notice if GymGaze Equipment at that Venue remains non-operational for more than 60 (sixty) consecutive days and GymGaze has failed to remedy the fault within 30 (thirty) days of written notice from the Partner.
-
- 18.5** Termination of this Agreement shall not affect any accrued rights or obligations of either party up to the effective termination date.
